CITY OF MARCELINE. MISSOURI – POWERLINE CONSTRUCTION

INFORMATION FOR BIDDERS

BIDS will be received by: City of Marceline

(herein called the "OWNER"), at: City Hall

until **3:00 p.m.** (Central Standard Time), **April 14, 2021**, and then at said office publicly opened and read aloud.

Each BID must be submitted in a sealed envelope, addressed to:

City of Marceline
City Hall
116 North Main Street U.S.A.
Marceline, Missouri 64658

Each sealed envelope containing a BID must be plainly marked on the outside as BID for:

City of Marceline – Powerline Construction.

The envelope should bear on the outside the BIDDER'S name and address and the name of the project for which the BID is submitted. If forwarded by mail, the sealed envelope containing the BID must be enclosed in another envelope addressed to the OWNER at:

City of Marceline
City Hall
116 North Main Street U.S.A.
Marceline, Missouri 64658

All BIDS must be made on the required BID form. All blank spaces for BID prices must be filled in, in ink or typewritten, and the BID form must be fully completed and executed when submitted. Only one copy of the BID form is required. Incomplete or conditional bids will not be considered by the OWNER.

The OWNER may waive any informalities or minor defects or reject any and all BIDS. Any BID may be withdrawn prior to the above scheduled time for the opening of BIDS or authorized postponement thereof. Any BID received after the time and date specified shall not be considered. No BIDDER shall withdraw a BID within 90 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the OWNER and the BIDDER.

BIDDERS must satisfy themselves of the accuracy of the estimated quantities by examination of the site and a review of the CONTRACT DOCUMENTS and SPECIFICATIONS including ADDENDA. After BIDS have been submitted, the BIDDER shall not assert that there was a misunderstanding concerning the quantities of WORK or of the nature of the WORK to be done.

All work to be completed is on property owned by the OWNER or on rights-of-ways acquired by the OWNER.

The CONTRACT DOCUMENTS contain the provisions required for the construction of the PROJECT. Information obtained from an officer, agent, or employee of the OWNER or any other person shall not affect the risks or obligations assumed by the CONTRACTOR or relieve the CONTRACTOR from fulfilling any of the conditions of the contract.

Each BID must be accompanied by a BID bond payable to the OWNER for five percent (5%) of the total amount of the BID. As soon as the BID prices have been compared, the OWNER will return the BONDS of all except the three lowest, best and most responsible BIDDERS. When the Agreement is executed the bonds of the two remaining unsuccessful BIDDERS will be returned. The BID BOND of the successful BIDDER will be retained until the PAYMENT BOND and PERFORMANCE BOND have been executed and approved, after which it will be returned. A certified check may be used in lieu of a BID BOND.

A PERFORMANCE BOND and a PAYMENT BOND each in the amount of one hundred percent (100%) of the CONTRACT PRICE, with a corporate surety approved by the OWNER, will be required for the faithful performance of the contract.

Attorneys-in-fact who sign BID BONDS or PAYMENT BONDS and PERFORMANCE BONDS must file with each BOND a certified and effective dated copy of their power of attorney.

The party to whom the contract is awarded will be required to execute the Agreement and obtain the PERFORMANCE BOND and PAYMENT BOND within fifteen (15) calendar days from the date when NOTICE OF AWARD is delivered to the BIDDER. The NOTICE OF AWARD shall be accompanied by the necessary Agreement and BOND forms. BOND forms shall be in the format as attached to the BID FORM. In case of failure of the BIDDER to execute the Agreement, the OWNER may consider the BIDDER in default, in which case the BID BOND accompanying the proposal shall become the property of the OWNER. Upon default by the first low BIDDER the AWARD may then be made to the next lowest, best and most responsible BIDDER, or the WORK may be re-advertised for a construction CONTRACT or otherwise, as the OWNER may decide.

The BIDDER shall provide the OWNER with a **CERTIFICATE OF INSURANCE** in a form acceptable to OWNER providing coverage for the following:

- Commercial General Liability Insurance with a minimum limit of \$441,130.00 for any one person in a single accident or occurrence and \$2,940,868 for all claims arising out of a single accident or occurrence.
- Comprehensive Business Automobile Liability Insurance for all owned, non-owned and hired automobiles and other vehicles used by CONTRACTOR with a combined single limit of \$1,000,000 minimum.
- Workers Compensation insurance with statutorily limits required by any applicable Federal or state law and Employers Liability insurance with minimum limit of \$1,000,000 per accident.

BIDDER shall make OWNER an additional insured on each policy of liability insurance that BIDDER is required to maintain under the contract documents. Similarly, BIDDER shall require insurance with the same coverage and limits from its subcontractors and suppliers, and their insurance policies shall be endorsed to name the same additional insureds as required of BIDDER. Each additional insured endorsement shall expressly afford coverage to the additional insureds not only arising out of the named insured's operations or work but also arising out of the named insured's completed operations. All completed operations coverages shall be maintained by BIDDER and its subcontractors or suppliers for five (5) years following the completion of the Work. Any coverage available to CITY as a named insured shall be secondary, so that the coverage to the OWNER as an additional insured on the policies maintained by BIDDER and subcontractors is primary. OWNER reserves the right to selectively trigger any one or more insurance policies that afford OWNER coverage, whether as a named insured or as an additional insured. BIDDER agrees that OWNER shall be provided at least sixty (60) days advance written notice of any cancellation or rescission of any policy that BIDDER or any of its subcontractors or suppliers is required to maintain under the contract documents. Prior to commencing work, BIDDER shall provide OWNER certificates of insurance.

The OWNER upon receipt of an acceptable PERFORMANCE BOND, PAYMENT BOND, CERTIFICATE OF INSURANCE, and AGREEMENT signed by the party to whom the AGREEMENT was awarded, shall within a reasonable period of time sign the AGREEMENT and return to such party an executed duplicate of the AGREEMENT. The OWNER upon signing the AGREEMENT and within a reasonable period of time shall issue the NOTICE TO PROCEED.

PARTIAL PAYMENTS will not attest to the correctness of quantities shown or that the WORK has been performed in accordance with the CONTRACT DOCUMENTS & SPECIFICATIONS.

The OWNER may make such investigations as deemed necessary to determine the ability of the BIDDER to perform the WORK, and the BIDDER shall furnish to the OWNER all such information and data for this purpose as the OWNER may request. The OWNER reserves the right to reject any BID if the evidence submitted by, or investigation of, such BIDDER fails to satisfy the OWNER that such BIDDER is properly qualified to carry out the obligations of the Agreement and to complete the WORK contemplated therein.

A conditional or qualified BID will not be accepted.

Award will be made to the lowest, best and most responsible bidder.

All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the PROJECT shall apply to the contract throughout

Each BIDDER shall be responsible for inspecting the site and for reading and being thoroughly familiar with the CONTRACT DOCUMENTS. The failure or omission of any BIDDER to do any of the foregoing shall in no way relieve any BIDDER from any obligation in respect to its BID. In the case of conflicts within the CONTRACT DOCUMENTS and SPECIFICATIONS, the most stringent requirement shall prevail. Any standard list, inclusive of Missouri Standard Specifications for Highway Construction, shall refer to the most current revision or amendment thereof.

The low BIDDER shall supply the names and addresses of major material SUPPLIERS and SUBCONTRACTORS at the time of contract award unless the owner requests this information at an earlier date.

No answer will be guaranteed to prospective BIDDERS in reply to oral questions if the question involves the interpretation of the SPECIFICATIONS and CONTRACT DOCUMENTS or the equality or use of products or methods other than those designated or described in the SPECIFICATIONS. Any verbal information given to BIDDERS other than by means of SPECIFICATIONS or ADDENDA as described below is informal for convenience and it is not guaranteed. Faxes for submittals will not be accepted.

The OWNER will consider such questions submitted in writing at least twenty (20) days prior to BID opening. If the question includes the equality or use of products or methods, it must be accompanied by DRAWINGS, SPECIFICATIONS, and any other necessary data to allow the OWNER to make a decision regarding the equality of the product or methods. Such requests will only be considered from GENERAL CONTRACTORS known to be bidding on the PROJECT as evidenced by the BIDDER'S LIST to be maintained by the OWNER.

The OWNER if required, will issue an addendum regarding any changes to the SPECIFICATIONS or CONTRACT DOCUMENTS that result from clarifications or determination of equality of products or methods, at least five days prior to BID opening to those prospective CONTRACTORS who have requested a set of SPECIFICATIONS.

The CONTRACTOR must agree to use only those products and methods described in the SPECIFICATIONS as amended by the issued ADDENDA.

In the event that a protest, dispute or claim arises out of procurement as related to this contract, the following procedures shall be followed for filing, review and resolving said protest, dispute, or claim:

File written protest with City Clerk within five (5) working days of Bid opening, citing:

- 1) Basis of protest or claim.
- 2) Contract provision relating to protest or claim.

Within ten (10) days of receipt of protest, the City Council will act upon the claim by one of the following actions:

- 1) Deny claim.
- 2) Concur and agree to claim.
- 3) Establish a date within fourteen (14) days for a hearing for protester to show cause for claim to City Council.

Any questions or comments regarding this contract should be addressed to City Manager, City Hall, 116 North Main Street, U.S.A., Marceline, Missouri 64658.

Notwithstanding any reference to any rule or regulation, the OWNER does not assume any responsibility to provide supervision of construction methods and/or procedures. Contractor shall assume risks from storms and accidents and shall be responsible for all damage to adjoining property, environment, and to persons until work is completed and accepted the OWNER.

PREVAILING HOURLY WAGE RATES

- a. The Agreement shall be based upon the required payment by the Contractor of the prevailing hourly rate of wage for each craft or type of workman required to execute the Agreement as determined by the Department of Labor and Industrial Relations of Missouri. See Schedule of Prevailing Hourly Wage Rates attached hereto and made a part hereof.
- b. The Contractor shall comply in all respects with Sections 290.210 through 290.340 RSMo.
- c. The Contractor and each Subcontractor shall keep an accurate record showing the names and occupations of all workmen employed by him, together with the actual wages paid to each workman, which shall be open to inspection at all reasonable hours by the representatives of the Department of Labor and Industrial Relations of Missouri and the Owner.
- d. The Contractor is advised of the fact that the prevailing hourly rate of wages is subject to change by the Department of Labor and Industrial Relations or by Court decision as provided by law during the life of this Agreement and such change shall not be the basis of any claim by the Contractor against the Owner nor will deductions be made by the Owner against sums due the Contractor by reason of such change.
- e. The "Prevailing hours of labor" for all classification of laborers, workmen and mechanics to be employed in the work are eight (8) hours per day and forty (40) hours per week.

INDEMNIFICATION

To the fullest extent permitted by law, BIDDER agrees to indemnify, defend and hold harmless the OWNER, its officers, agents, volunteers, lessees, invitees and employees from and against all suits, claims, damages, losses, and expenses, including but not limited to attorneys' fees, court costs, or alternative dispute resolution costs arising out of or related to any such suit, claim, damage, loss or expense involving an injury to a person or persons, whether bodily injury or other personal injury (including death), or involving an injury or damage to property (including loss of use or diminution in value), but only to the extent that such suits, claims, damages, losses or expenses were caused by the negligence or other wrongdoing of BIDDER, or of any supplier or subcontractor, or their agents or employees, directly or indirectly, regardless of whether caused in part by the negligence or wrongdoing of OWNER or any of its agents or employees.
