

MINUTES OF A REGULAR MEETING OF THE MARCELINE CITY COUNCIL
June 21, 2016

The Marceline City Council met in regular session on June 21, 2016 at 5:30 p.m. in the Council Chambers of City Hall, Mayor Jeri Holt presiding. Council members present were: Sallie Buck, John Carver, Natalie Wellman, and Tyson Brammer. Staff attending: City Attorney Jeff Elson, City Manager Robert V. "Bob" Green, City Clerk Lindsay Krumpelman, Water/Wastewater Superintendent Kevin Wiggins, Police Chief Bob Donelson, Electric Superintendent Dean Gauthier, and Street Superintendent Ed Ewigman. Also in attendance were: Linda Linebaugh, Donald "Lefty" St. Clair, and Reporter Chris Houston.

Mayor Jeri Holt led the assembly in the Pledge of Allegiance. The meeting was called to order at 5:30 p.m. by Mayor Holt.

APPROVAL OF THE MINUTES, AND FINANCIAL REPORTS:

Councilman Brammer moved to approve the financials and minutes as presented. Councilman Carver seconded the motion. The motion carried unanimously.

APPOINTMENTS TO BOARDS AND COMMITTEES

Recreation and Parks: After discussion by the Council, Mayor Holt appointed Leslie Thornburg to the open seat on the Recreation and Parks Board for a three year term.

City Manager Robert V. Green reported to the Council there is an open seat on the Housing Authority Board due to the passing of Duane Dorrell. Mayor Holt spoke highly of Duane Dorrell and his contributions to the Council, Housing Authority Board, and to the community.

REPORTS OF COUNCIL, OFFICERS, BOARDS AND COMMITTEES

City Department Updates: Electric Superintendent Dean Gauthier reported that he, City Manager Green, Bob Harbour and Ameren met about how the substation poles will be set. He stated his department works on whatever comes their way and that they have a lot of projects in line. Council inquired on what caused the outage the previous evening. Superintendent Gauthier reported that Ameren UE's transmission line went down. They attempted to fire up the generators, but received a call from Ameren to open the circuits and had to shut them down. Superintendent Gauthier went on to explain that Ameren broke our switch and they had to send a crew out to fix it. Superintendent Gauthier recommended we try to go back to a manual start-up for the generators instead of continuing with the hi-tech way. Superintendent Gauthier reported the outage on the Sunday before was due to a sparrow hawk flying into the substation. He went on to explain the system is designed to protect itself so if there is an error, the system will shut down. City Manager Green commended the electric crew for working to get the City back up.

Water/Wastewater Superintendent Kevin Wiggins reported when the power came back on the pine mobile lift station blew fuses and that Jeff Harper from Hauser Electric will be here tomorrow to look at it. He informed the Council the chlorine leak detector is in need of repair at the Water Plant and they are waiting on a part to fix it. He went on to state a VFD at the sewer plant went down and the City may need to purchase a new one. He reported there were three water leaks in the last few weeks. Superintendent Wiggins reported that water consumption has increased from 500,000 to 800,000 gallons per day. PWSD #3 is taking 450,000 - 550,000 gallons of that amount. He concluded by stating that the Raw Water Grant is 95% complete and they are just waiting on computers and software. Councilwoman Wellman inquired about the leaks. Superintendent Wiggins reported that the leaks are caused by the ground moving.

Street Superintendent Ed Ewigman informed the Council his departments have been mowing and working on the trail grant project. They have poured approximately 2,200 feet of concrete for the trail. He went on to report that the curb and gutter and paving projects may start the week after the 4th of July and they will be done simultaneously.

Police Chief Bob Donelson reported his department's case load has been steady. He reported that MOREnet should be completing the Wiimax project in about a month. Police Chief Donelson informed the Council the police department is targeting different areas for traffic enforcement each week. The area selected is then posted on Facebook. He concluded by stating that his department provided assistance to the incident in Brookfield, and that his officers handled themselves well. Councilwoman Wellman stated she appreciated the officers being there and cautioned the police department on posting the areas where increased traffic enforcement will occur. Councilman Holt inquired about the issue brought up by Jim Payden at the last meeting. Police Chief Donelson reported that the individual agreed to keep the vehicle on his property and it is there when they check. Councilwoman Buck inquired if the department was still working on the nuisance ordinance. Police Chief Donelson reported they are and that they have a few cases in court next week. He stated they do try to work with the individuals on the issue.

City Clerk Lindsay Krumpelman reported the City has two youths assisting her with the Record Retention project through a Green Hills Regional Planning Commission youth employment program. Green Hills pays their salaries, and the City provides a job and supervision. She reported she is really impressed with their work to this point and she has a list of documents that are beyond their retention value for the Council to consider destroying to present later in the meeting. She provided a quick update on the pool project, stating the final stages of design need to be complete before the final budget number and contract can be finalized.

City Manager Robert V. Green that they have met with Elster concerning automatic read electric and water meters and will be having a similar meeting on the 23rd with Itron. He reported that the summer school kids have been down at the Country Club Lake with the Conservation Department and were on the lake canoeing. He reported that on June 15th there was a remote broadcast for the BAM event. City Manager Green informed the Council that he was spoke at the Miss Marceline and Miss Linn County pageant. He reported he and Peter Whitehead went to KC to visit with the architects concerning the V.A. Home initiative to discuss how we can garner more attention to it. City Manager Green stated he Superintendent Ed Ewigman and Darrell Gardner met with Adam Barnett to look over the sidewalk site at Ripley Park Pond and Barnett's crew poured it yesterday and today. He concluded by reporting on the Bond meeting held at City Hall with financial advisor L.J. Hart. Councilwoman Buck inquired if BAM was a success. City Manager Green responded it was, but that the cyclists were here earlier than expected due to the heat. Mayor Holt inquired about the fence at the cemetery. Superintendent Ewigman responded he is waiting on a phone call.

CITIZENS PARTICIPATION:

Linda Linebaugh stated she was impressed with the progress on the trail and hopeful that once it is complete the City could work on the boat ramp. She inquired about the progress on the demolition of dilapidated houses. Mayor Holt responded it was the first item under New Business.

Donald "Lefty" St. Clair stated the power outage caused them a stressful night because his wife is on oxygen 24/7 and they had to drive around to charge the batteries. He wanted to know what kind of provisions there were for situations like that. The Council and City Staff discussed the situation. It was recommended to call 911 if they are in that situation, as the police have small oxygen bottles in their cars and the Fire Department has a portable generator.

OLD BUSINESS:

Pool Project:

a. *Topographic Survey Agreement:* City Clerk Krumpelman reported that Larkin received two proposals for the Topographic Survey, one from Allstate Consultants in the amount of \$1,400.00 and one from Shafer, Kline & Warren for \$3,300.00.
