RESIDENTIAL NOTIFICATION

2025 Downtown Street & Parking Restriping

Published: June 10, 2025

With the Independence Day Celebration approaching, the Street Department will be restriping Main Street, from Gracia Avenue to Santa Fe Avenue starting Wednesday June 11th and is expected to be completed by Friday, June 20th, weather permitting. The painting will include crosswalk, parking spaces, and handicap areas on side streets along Main Street as well as Main Street USA.

Any part of this project that cannot be completed due to weather will be finished following the Independence Day Celebration.

The Street Department crew will be working at various times throughout the day, including mornings and evenings to complete this work. Motorists are urged to exercise extreme caution in the work areas as there may be workers, cones and barricades present in driving lanes from time to time throughout the duration of the project.
