RESIDENTIAL NOTIFICATION

Storm Damage Trees/Limbs Collection

Published: July 29, 2023

Due to the large amount of tree damage and fallen limbs as a result of the storm on July 29th, the City will be making special collection of these items beginning on Monday, July 31st and will collect yard debris every day until Friday, August 4th. No further collection will be made after that date. This should give residents sufficient time to get the debris cleaned up and placed at the curb. This collection is being offered **ONLY** for damaged trees and limbs as a result of the storm, and not items from previous regular yard maintenance.

To assist us, limbs should be cut up to 6' lengths and placed at the edge of street/curb/alley. **DO NOT** place limbs and yard debris in the road or alley or block road/alley access. Also, do not block RTS access to garbage cans so that it can be collected on the normal collection day.
