RESIDENTIAL NOTIFICATION

Restroom Facilities at Country Club Lake Closed Until Further Notice August 27, 2021

In the past 3 weeks, there have been incidents of exorbitant amounts of disgusting, gross and unsanitary “matter” found on the walls, floors, in the sinks, and on the toilet seats, etc. of the public restroom facilities at the Country Club Lake. The amount of matter is beyond a normal amount, making the facility inoperable and further making employees ill. There were two separate occurrences of this misuse already this week. City personnel tasked with park maintenance should not and will no longer be subject to this abhorrent behavior so until further notice and until efforts to rectify this situation are in place, the restroom facilities at the Country Club Lake will be closed. Arrangements for use will be made for Shelter House Rentals.
