RESIDENTIAL NOTIFICATION

Dogs at Large Prohibition

October 27, 2017

The Marceline Police Department has recently seen an increase in complaints regarding dogs being allowed to run at large within the City. The current City ordinance prohibits the owner of a dog to allow that dog to run at large without being in control of the owner or a responsible person. In order to help address this problem, we are asking residents to be mindful of what control of their dog is, and responsible pet ownership.

Allowing your dog to roam the neighborhood without being physically supervised by a responsible person is dangerous to the dog, other dogs, and pedestrians. It is against the law and may result in your dog to be impounded, accompanied by a citation. Owners of dogs are also required to license their dogs that are over 6 months of age.

In order to obtain a city dog license you must have your dog currently vaccinated at the time of license. Visit City Hall for more information about licensing.
