## Section 2. Water Rates:

- A. Each user shall pay for the services provided by the City based on their use of the water system as determined by City approved water meter(s).
- B. All monthly user charges will be based on monthly water usage.
- C. The user charge rates established in this Master Fee Schedule apply to all users of the City's system.

Section 3. Wastewater Rates:

- A. For residential, industrial, and commercial contributors, user charges shall be based on water used during the current month. If a contributor has a consumptive use of water, or in some other manner uses water which is not returned to the wastewater collection system, the user charge for that contributor may be based on a wastewater meter(s) or separate water meter(s) installed and maintained at the contributor's expense and in a manner acceptable to the City.
- B. Any user which discharges any toxic pollutants which cause an increase in the cost of managing the effluent of the sludge from the City's treatment works, or any user which discharges any substance which singly or by interaction with other substances causes identifiable increases in the cost of operation, maintenance, or replacement of the treatment works, shall pay for such increased costs. The charge to each such user shall be as determined by the Wastewater Superintendent.

Section 4. That this resolution shall become effective Thursday, January 1, 2026.

**IN WITNESS WHEREOF**, the undersigned has subscribed their name and, and applied the seal of the City of Marceline to this Resolution this 10th day of **December 2025**.
