# Water Service Disruption – Hydrant Replacement

February 9, 2026

The Marceline Water Department will be replacing a water hydrant on West Santa Fe on **Wednesday, February 11, 2026** beginning at 8:00 am. As part of this process, some areas will experience a temporary disruption of water service lasting up to approximately three (3) hours. This is only an estimate and could be longer depending on any issues that arise during the hydrant replacement. The following locations will be affected:

- 100 – 600 Blocks W Santa Fe

Customers not at the above listed area who experience loss of water service are urged to report it to City Hall at (660) 376-3528. Once water service is restored there will be a 48-hour boil advisory in effect for those affected.

We apologize in advance for the inconvenience.
